Quality construction of two residential multi-storey buildings for sale in Umag, Savudrija settlement. Each building consists of a ground floor and two floors, each with six apartments. The expected completion date is spring 2024. The apartments on the ground floor also have a part of the garden, and each apartment has a parking space and a storage room in the basement of 6 m2.

Nine apartments have two bedrooms, while three are reserved for lovers, smaller one-room oases of peace.

Two-room apartments are approximately 85 square meters in size. Each of the apartments has

two bedrooms each, large bathroom with walk-in shower, storage room, living room

a room with a kitchen and a bedroom and, above all, a view of nature through a long, sliding glass wall. In order to make the stay in our resort even easier for the future owners...
