Construction land with a beautiful view on Motovun and nature with 850 m2 for sale. The land is regular-shaped and located on a mainly flat terrain with a small slope. Urban and space planning foresees a multy-storey building which gives the new owners not just a beautiful view on Motovun, but a magnificent view on the nearby vineyards and hills as well. The land is located near the forest and the main road, 2000 m from the center of Motovun. The land is cleared with a few trees left. Electricity, water and telephone connectors are located near the land.
